The fascination of living in a house which had at one time been the property of some well known family is a weakness York boarding house keepers know how to make the most. One house on a private park downtown enriched several Miss Sarah Townsend. She is a sister preprietors who kept boarding houses there and were wise enough to advertise that it had once been the home of a well was Miss Alice W. Babcock. Mr. Kellogg that it had once been the home of a well was graduated from Stevens Institute and is a member of the University Club. known politician. It never lacked a tenant willing to pay a good rent so long as it was in the market for such a purpose. Another house in the same region once belonged to a member of a historic New York family and that fact is carefully impressed on the public in its present advertisements.

advertisements.

None of these places has been more prosperous than one on an East Side avenue which once belonged to a railroad millionaire. A few years before his death he built a palace further uptown. His former home was immediately rented for a boarding house and is known to this day by the name of its original owner.

It takes something out of the common to make the newspaper readers on an elevated train look up, but many did Nor is this young man a look when they saw going by on the opposite track one of the little old steam locomotives once so familiar on the road figure when he agrees to addeven haggles for more adhered to him. The girl more admirable when she was the comment of one man as he returned to his newspaper.

> "An unusual discrimination against one of my flats was recorded the other day," said the renting agent. "A possible tenant inquired if any of the occupants of the building had ever been pressed into jury duty. Not perceiving the trap laid for me I replied that a man on the second floor and another on the fourth floor had so served the city last winter.

"Then I regret that I cannot take an apartment in this house," said he. The reputation of containing satisfac-tory jury timber sticks to a house worse than typhoid germs. The courts never let up on it and some man living there s sure to be summoned at every session. The lightning would be sure to strike me

*Delivering telegraphic messages over the telephone' instead of delivering them fiance proves by messenger is especially liked by women. Annah Dillon Ripley, to take place on I find," said the man in charge of a busy telegraph office in an apartment house neighborhood. "Almost everybody found here can be reached on the telephone. and we have women come in here every little while asking us so repeat any tele-graphic message to them over the wire graphic message to them over the rather than send it in the usual way.

"I hate to tear open that little brown-ish yellow envelope," one woman said the other day as she asked for telephone service on telegrams rather than a mes-senger. She then went on to explain that there was less nervous strain in the receipt of telegrams when repeated over the wire and that deep down in clace well toward the top of every woman's heart by a dread of openficult to learn the details of arrangement entirely obviated. Foolish? Well, perhaps so, but women aren't the only ones who feel so sometimes, and this new telephoning arrangement seems to be growing in favor in residential neighborhoods.
